About Us

Fairwood Christian Preschool is an established preschool that has served thousands of families in the Renton/Kent/Maple Valley area for over forty years. Our excellent teaching staff is experienced and highly trained in caring for the needs of young children. Teachers utilize innovative methods to capitalize on a child's natural curiosity, imagination, and creativity. We use age-appropriate challenges to develop each child's talents and abilities. Children will be acquiring skills they will need in the years ahead. We expect children to enjoy being kids—playing, learning, and laughing. We believe that play is the work of a child and activities that appear to be merely play to adults are very important to a child's development. With these goals in mind, an emphasis is placed on children's emotional, social, cognitive, and physical growth. Since each child is uniquely different, we encourage them where they are developmentally. Each child will be assisted to reach their full potential. We count it a privilege to be entrusted with your children.

Mission Statement

To provide a safe, secure, inclusive, and loving preschool for our community.

Discipline

Our discipline policy is designed to help children learn to develop self-control. We want children to learn respect for others and learn how to express themselves using words. Children also will learn to take responsibility for their actions and understand that there are consequences to actions. We use a positive approach to help and guide children through redirection, distraction, and positive reinforcement. Teachers establish clear boundaries for appropriate behavior and continually look for good behavior to praise. No corporal punishment, threats, humiliation or harsh words will be used. If a child is unable to control him/herself, the child will be asked to sit in a quiet area away from others and calm themselves. When possible, the teachers will allow the child to decide when they are ready to enter back into cooperative play.

Curriculum

To keep our lessons interesting and varied, we utilize weekly themes that tie into all areas of learning. We will also have several focus letters & numbers each week. Teachers will present these in the following areas:

- Socialization: Opportunities for parallel and cooperative play. Children will learn to use their words and to problem solve.
- Practical Life: Helping children to master their environment with minimal help - such as pouring, buttoning, cleaning up and washing own hands.
- Dramatic Play: Children love to use their imagination and mimic life in our home and dress up center.
- Sensorial: Helping children learn to use their senses for observation, comparison, and classification.
- Mathematics: Opportunities for children to rote count, use number recognition, and associate abstract with reality.
- Science: Experiences in nature and natural laws, guess and check, cause and effect.
- Language: Opportunities for children to practice letter recognition, phonics, and to form words by combining sounds.
- Spiritual: Christian principles shared through Bible stories, puppet stories, life stories and teacher example.
- Music: Experiences with musical instruments, rhythm, and singing simple songs.

Arts and Crafts: Projects and open-ended activities using a variety of mediums, where individual creativity is strongly encouraged.

Physical: Activities designed to foster development in balance and coordination.

Schedules and Tuition

Class Times	<u>3's and 3-4's Classes</u>		<u>4's and K-Prep Classes</u>	
	9:00 am - 11:30 am		9:00 am – 12:00pm	
Classes Offered	Class Size	Days	Age	Age Requirements

3-4's	16 Children	Mon. / Wed. / Fri.	3 & 4 years old	3 by May 31, 2025
4's	18 Children	Mon. / Wed. / Fri.	4 years old	4 by August 31, 2025
K-Prep	20 Children	Mon. – Fri.	4 & 5 years old	4 by August 31, 2025

***Child must be potty trained by the start of school.**

Sample Class Agenda

Arrival—Free Play
 AM Circle Time
 Free Play/Learning Centers
 Wash Hands/Snacks Indoor/Outdoor Play
 Second Circle Time
 Free Play/Learning Centers
 Clean Up/Review

Tuition

A non-refundable registration and supply fee of \$100.00 is due at the time of registration. Tuition is figured based on the cost of running FCP for an entire school year and divided into nine (9) equal monthly payments as follows:

Monthly Tuition Rates		Optional 5% Discounted Full Year Payment Amount (cash or check only)
3's Class	\$220	\$1881
3-4's Class	\$255	\$2180.25
4's Class	\$280	\$2394
K-Prep	\$350	\$2992.50

September tuition is due on August 1st. Thereafter, tuition is due on or before the first (1st) of each month. Payments received after the 7th of the month will incur a \$15.00 late fee. If payment falls 45 days behind, the student will be disenrolled. Accepted tuition payment types are check, money order, cash, automatic withdrawal, and card. Payments by card can be made through your Jovial Family Portal. Arrangements for monthly auto-payment can also be made in your Jovial Family portal. Returned checks (NSF) will be surcharged a \$35.00 fee.

The school's budget and teachers' salaries are based on full enrollment, therefore compensation cannot be given for absences. Parents are responsible for each month's tuition despite absences, vacations, or holidays to continue their child's enrollment in the preschool.

Arrival and Pick-Up Procedures

Children must be checked in and out daily **by an adult** at your child's classroom door. Children should never be left unattended in the parking lot, cars, or on the school grounds. Children will only be released to adults (18+) whose names are listed in their Jovial Family Portal. Please contact your child's teacher if you will be delayed in picking up your child from preschool. Classroom doors will be locked until school begins and will remain locked while class is in session.

Late Pick-Up Fee

There is an **overtime charge** of \$15.00 every **10 minutes, beginning 10 minutes** after class has ended.

Parent Involvement

Our goal is to partner with parents throughout the school year and keep you involved and informed on your child's progress. Here are some of the ways that you can share in your child's early childhood experience:

- Teachers will email regularly with reminders of upcoming events
- Monthly snack calendars
- Facebook: www.facebook.com/FairwoodChristianPreschool
- Instagram: @fairwoodchristianpreschool
- Parent classroom volunteers and chaperones for field trips, party days, or special events.
- Student assessments issued twice each school year

Health Policies

Our goal is to maintain the best possible health conditions for children. If a child comes to school when he/she is not feeling well, he/she will be more vulnerable to infection. Children may ask to come to school even though they are ill. If a child comes to school when ill, they will be sent home. We will follow up-to-date CDC recommendations for COVID and RSV cases.

Please adhere to the following policies:

1. If a child shows signs or symptoms of illness such as sore throat, fever, stomachache, unknown rash, pink or itchy eyes, or a persistent cough, please keep them at home.
2. After a fever a child's temperature must be normal (98.6) for 24 hours BEFORE returning to school.
3. If your child has been vomiting, he/she must wait 24 hours BEFORE returning after the vomiting has stopped.
4. If a child contracts a highly contagious condition such as pink eye, chickenpox, fifth disease, head lice etc., they must stay at home until they have been treated by a physician and are no longer contagious.
5. If a child becomes ill while at school, you will be called to pick up the child immediately. We do not have the space or staff to quarantine children. FCP staff will not call unless the child needs to be at home.
6. If a child is well enough to come to school, we will expect him/her to participate in all activities, such as playing outdoors with the class, weather permitting. No medication will be administered by a teacher or staff member except EpiPens if needed.

*Please Report infectious conditions to the FCP office to warn other parents to watch for similar symptoms. Your child's identity will remain anonymous.

Immunizations

Children enrolled in Fairwood Christian Preschool must be current on immunizations. A Certificate of Immunization Status (CIS) must be submitted before your child's first day of school.

Exceptions are permitted with a signed waiver and an understanding that parents may be asked to remove their child from school if there is an outbreak of a vaccine-preventable disease. The child would be excluded from school until the outbreak is over.

Show and Tell

Show and Tell will be scheduled at various times throughout the school year. Children are encouraged to share about themselves and their family and friends with photos, toys, stuffed animal collections, trophies, and things found in nature. Toy weapons such as guns, swords or toys that teachers feel could hurt another child are not allowed. They will be taken away and put aside until dismissal.

Preschool Apparel

Preschool activities are often messy. Please be sure that your child's clothing is comfortable, washable, and allows for self-dressing. Flipflops are not advised. **Please send your child with weather-appropriate outerwear as we go outside to play in the cold winter months if it is not raining.** Please leave umbrellas at home or in your car.

Snacks

Each child is scheduled to provide a snack that's low in sugar once a month on a rotational basis. A snack calendar will be provided monthly. If your child is ill or not at school on the assigned day, please bring a non-perishable replacement snack to be used at another time.

Birthdays are important and children love to celebrate! When your child's birthday falls during the school year, they will be assigned to bring snack on or near that day. They may bring cupcakes, ice cream, or other "fun" food on that day. Children who have summer birthdays will be scheduled sometime during the year to celebrate their half-birthday.

A nut allergy can be life-threatening. Over the past few years, we have seen increased numbers of children who have peanut allergies. For these reasons, we have opted to have nut/peanut-free classrooms.

Please help us to maintain a safe environment by keeping all nut products at home, including nut spreads and candy containing nuts. Students with food allergies must still notify us on the student registration forms. Teachers will check ingredient lists from packages before serving snacks for those students. Parents of kids with allergies should provide a backup snack if a snack is brought their child can't eat.

Field Trips

Fairwood Christian Preschool takes several field trips during the school year. The cost of the field trips, if any, is not included in the monthly tuition. A parent must transport to/from and attend all field trips with their child or send an adult in their place. If that is not possible the child must stay home from school on that day.

Fundraisers

Our school sponsors several fundraisers each year to help keep our classrooms updated and parent participation is encouraged but not required. Some families prefer to make a one-time payment donation and choose not to participate in the fundraisers. Tax receipts will be issued for cash donations, upon request.

Inclement Weather Instructions

When snow, ice, or other emergency conditions exist—Fairwood Christian Preschool will follow the Kent District #415 school closure schedule.

Please don't try to judge whether school will be open on how the roads appear to you since the road conditions are evaluated for the entire school district. We have some families and teachers who must travel an extended distance to get to school.

Emergency information will be announced on most television or radio stations.

If the Kent School District opens one (1) hour or two (2) hours late—Fairwood Christian Preschool will be closed.

If the Kent School District is closed— Fairwood Christian Preschool will be closed.

In the event of a power outage, we will lose heat in our building. If an outage lasts more than 30 minutes—Fairwood Christian Preschool will close, and we will contact parents to come pick their children up.
